**6. Travel in a less-developed country can be rigorous and demanding, and may not be advisable for persons with certain physical conditions such as allergies, heart problems, physical disabilities, recent surgeries, dietary requirements, etc. In particular, travel in San Marcos will include a lot of walking, sometimes uphill, and the living arrangements are likely to be rustic – similar to camping. Please indicate any concerns you may have in this regard.**

---

---

---

**7. It is the expectation that, upon return from the trip, participants will share their experiences with parishes, etc. (individually or with another participant). In addition, it is the hope that trip participants will continue to work on projects sponsored by the Global Solidarity Partnership and help the Committee in their efforts to increase awareness, provide education, build relationships and raise money. Please indicate your willingness to devote time to the partnership after you return and/or share your concerns with this expectation.**
