

Different Kinds of Touches

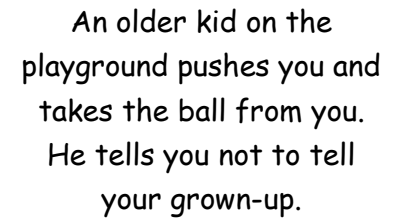

1. Put a check on the touches that are good touches and an X on bad or secret touches.
2. Explain the choice made.
3. Describe what should be done.

When Peter's cousin babysits him, he likes to play tickling and wrestling games. Peter doesn't like the way his cousin touches him.

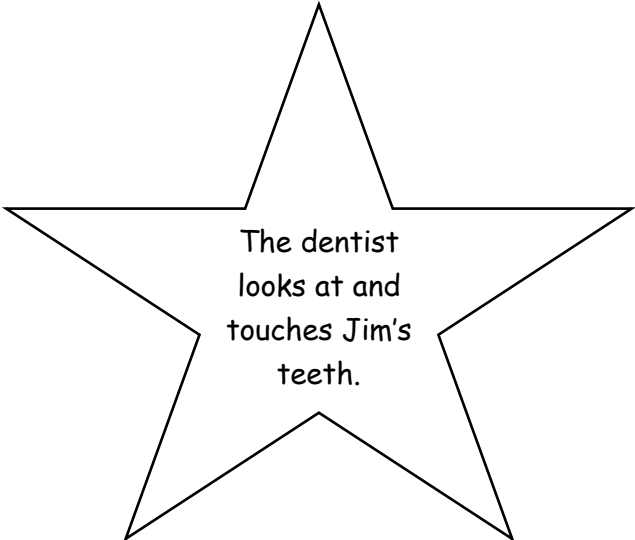

While Christine was playing at recess, she fell on some rocks and cut her bottom. The nurse cleaned her bottom and put a band-aid on her cut.

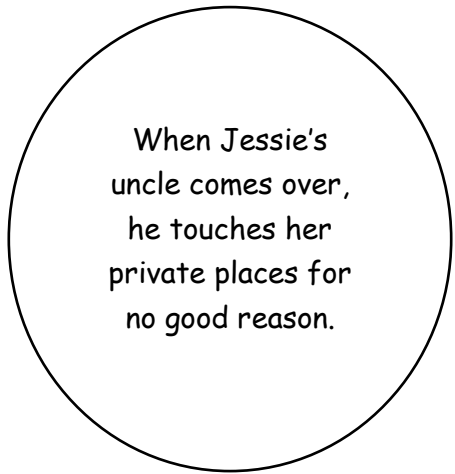

An older kid on the playground pushes you and takes the ball from you. He tells you not to tell your grown-up.

Elena's new neighbor comes over and introduces herself and shakes her hand.

The dentist looks at and touches Jim's teeth.

When Jessie's uncle comes over, he touches her private places for no good reason.
